

RIVERFORKS R WE THERE

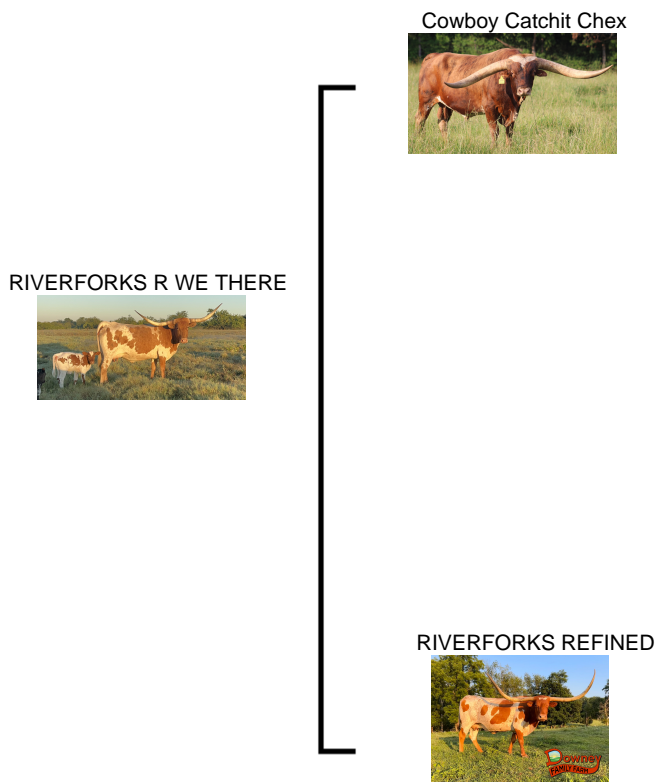

Date of Birth: 10/02/2018
 Registration 1: CI314876
 Sale Price: \$

Courtesy of Plain Dirt Farms

Check out this cow!!! Very correct Catchit daughter with a huge bodied massive horned dam that's owned by one of the most prestigious Texas Longhorn programs out there, Terry and Tammy King. Watch this heifers future, we think the the MN Fifty Shades of Grulla heifer baby standing next to her is going to be a rockstar! Currently being exposed back to PD Bill Pickett, a solid black Concealed Weapon Son out of our best producing cow.

TTT: 71.0000 on 11/11/2024

Ozarks Donna Empress

DELTA SCARLET
