

## PD Rais'N Cinderella

**Date of Birth:** 04/08/2021 **Registration 1:** Ci330335

Here is a very correct heifer sired by Riverforks Rais'N Cane. Her Dam is ZD Jam'n Texas Joy, she is the mother to our young herd sire PD Tejas Hard Knocks. Her Dam is a mid 70's young cow that projects into the high 80's TTT. These are very forward genetics, and we are very pleased with the direction this family is headed. Look for this heifer in futurities this year!
