

PLAIN DIRT FARMS

PD Snow White

Date of Birth: 10/24/2021
 Registration 1: CI332333

Courtesy of Plain Dirt Farms

Very correct Rais'N Cane Daughter. This young heifer was produced in part by the RC Pacific Mermaid under Concealed Weapon cross that was pure magic, that cross produced the LL Trident cow. LL Trident was crossed onto WS Hydro witch produced the dam of this heifer, Hicks Ariel. This heifers dam is a Hydro daughter that is 80" at 4 years old. She has a load of genetic power behind her and we intend to use it!

TTT: 72.0000 on 11/25/2024
