Texas Joy will be a special cow as she matures. Study her genetics to see consistency of excellent producers on top and bottom of her pedigree (i.e. Jamakizm, Tejas Star. Tari Graves FM 49, Delta Van Horne, Coach). Her grand dam, Almond Joy, is 21 years old and still producing. She is currently bred to Sweetwater BCB for her fifth calf for us! She is the dam to our up and coming bull PD Tejas Hard Knocks.
